

WAIVERS

State waivers pushed down during online registration (player/coach)

The screenshot displays the U.S. Soccer Connect web application interface. The top navigation bar includes the USA logo and the text "U.S. SOCCER CONNECT". Below this, there are several menu items: "Add Folder", "Add Team", "Find", "Assign Participant", "Assign Co", and "Help Resources". The main navigation tabs are "EVENTS", "LEAGUES", "LOCATIONS", "CLUB FEES", "COMPETITIVE SETTINGS", "REGISTRANTS", and "COACH/VOLUNTEER".

The "REGISTRANTS" tab is selected, showing the "Manage Registration Event" page. The "EVENT SETTINGS" section includes "Event Name & Settings" (Competitive- Players), "Game Day Rosters & Rules" (Disabled), and "Waivers/Notices" (No waivers). There are "Edit" buttons next to each setting.

The left sidebar shows a folder tree with "Test Club" expanded, containing "Academy" and "Competitive". The "Competitive" folder is selected.

Four callout boxes provide instructions:

1. Select the event from the folder tree
2. Select the registrants tab for players and the coach/volunteer tab for coaches
3. Click the third Edit button to access waiver library
4. Click Add New Waiver to add a club specific waiver

An inset window titled "Edit Waivers" is shown, containing the following text and elements:
